

The background of the entire image is an aerial, high-angle view of a modern city street. A prominent feature is a tall, multi-story building with a blue and white grid-like facade, which has the Telpo logo on its upper levels. The street is wide with multiple lanes, crosswalks, and green spaces with trees. Other buildings and cars are visible in the background, creating a sense of a bustling urban environment. A large blue semi-transparent banner covers the right half of the image, containing the main text and a teal circle.
